#### Information on Towry Law

Towry Law is a fast growing professional financial services firm with 12 offices throughout the United Kingdom. The Company employs over 650 highly qualified private and corporate wealth advisers and support staff in offices from the South West and South East of England to the North East of Scotland and Northern Ireland. The Company's vision is to become the premier provider of private and corporate wealth advisory services in the UK. This will be achieved by maintaining the philosophy of building long-term relationships with clients and providing the very best level of service.

Towry Law was founded in 1958 and, in May 2006, was acquired by John Scott and Partners. The merged business of Towry Law is a fast growing financial services firm focused on the delivery of excellence to its clients.

In 2007 Towry Law announced the acquisition of Baker Tilly Financial Services Limited (BTFS), the financial advisory division within mid-tier accountancy firm Baker Tilly, and the UK activities of MLP Private Finance. This was followed by the acquisitions of regional firms, McGowan in St Andrews, Scotland, Analysis in L'Derry, Northern Ireland and Hazlems Financial, based in London.

Towry Law is privately owned. The principal shareholders are Palamon Capital Partners, one of Europe's leading private equity firms, and Towry Law employees.
